WHAT IS A SOURCE?

A source is a document, index, book, person, or other material from which you find information related to a fact or event in your family tree.

Reliable sources are a critical element in family history research because they help you prove that the information you are compiling is accurate.

When you run into conflicting information, it is much easier to decide which source is more reliable if you know where your information came from.

Dear Auntie Willella,

We haven't heard from you in ages and I miss hearing about your life. Mom said you were having lots of health problems. I'm very sorry to hear that. I hope your birthday is painless! (Physically & emotionally.)

Mom sure enjoys being able to spend time with you and Mary-Elise.

Last Spring I took 3 classes to get my teaching credential, current in the hopes of finding a half-day kindergarten teaching position, but that didn't happen.

During the summer I finally decided to tackle redoing the kitchen. The cupboards were really old, wood with the finish partially gone. So I painted them white. But then the pale yellow walls were too light so I painted them butter-yellow. Then I changed the curtains from white w/ yellow to a dark blue plaid and added all the blue accents I could find of my stuff. The blue & white knobs I got from Dutch and I had quite a bit of Dutch figurines. I have the 5 different mugs on the coffee and cross-stitched a small Dutch village picture. I'm very happy with it.

May this be a year
rich in beautiful memories.

Happy Birthday

Wishing you a warm, snug, cozy
kind of day.

Your caring niece,

Debbie (or Jim too)

I started subbing again this year like last year but I've had to stop. My body has told me I've pushed it to the limit so I've had to stop. I'm hoping to try subbing again in January. Sometimes these bodies just don't cooperate do they?

Do you ever get to go visit Karen and her family or is it too far?

I sure do love working in the yard. I like to keep trying to improve the looks of the flowerbeds with flowering perennials. This summer I redid a couple of areas by transplanting things I have and getting a few new things. I still have 2 rose bushes blooming profusely and a perennial fuchsia all out front.

This fall I've been making my own notecards because it's fun and not tiring. This week I hope to finish up my 6th kind. Then I'll try cross-stitching some.

I'm always reading a lot.

What keeps you going; life? Do you have any hobbies? Are you still working on the family tree? Are we related to anyone who has an interesting story to their life?

Jim's birthday is June 9. Would you be willing to put that on your 2005 calendar and send him a card? I'm hoping he will be deluged with cards.

Love, Debbie

June 22, 1998.....

Dear Willie, Bennie & Cliff

Well here we go again. Willie finished her letter last night so I thought I would be on the ball for a change and begin with all of my so interesting news. According to my last letter I last wrote in April. So for this entertaining saga of the folks in Arizona I will begin with Easter Sunday. So here goes (nothing)!!!!!!

All the kids and grandkids were here except Kyle who did not want to get up off of the couch long enough to come over. I believe he was having one of his lazy days. He claims he enjoys them very much. Anyhow we celebrated the day the usual way with the Easter egg hunt and dinner. Lori cooked a turkey (which was delicious) & I cooked a ham, potatoes au gratins, tossed salad with hidden valley dressing, homemade bread from the bread machine, pepsi jello for the little ones, deviled eggs for the big ones & of course the famous annual bunny cake. The little ones had a ball looking for those plastic eggs filled with candy and change from Carrie's tips at work. Everyone had a super great time visiting, talking and laughing. While here the (three) girls decided mom needed a big celebration for her 60th birthday. Yes Bennie you were right, it was the big 60 year. And do I feel old? You bet!!!!!! But they were having so much fun planning this out I did not have the heart to say no so I said go ahead but I did not let them get carried away with it. So the following sunday we celebrated my birthday and this time everyone came encluding Kyle & Theresa, his girl friend.

On the morning of our birthday I called Don to say happy birthday to him. He wasn't up yet so I talked to Jackie for awhile. Later when Don finally got up he called me. We had a fun time talking, laughing & visiting. Later in the afternoon (late afternoon) Robin & the 3 kids came first with a piece of paper and pencil to write down what everyone wanted from the El Charro for dinner. That is mexican food and mine and Bills favorite restaurant. She also came with birthday cake from Baskins-Robbins. Chocolate cake with vanilla ice cream. I got to pick what I wanted and that was it. Kyle came with the gift that he had wrapped up all by himself and a great fantastic job he did on it too. Like I mentioned earlier he also came with Theresa. She fit in with us just fine. Do believe Kyle has met his match. They think so much alike its scary. Almost but not completely the same personality. She is a blond redhead and as Irish as you can get. Anyway she is real cute & mom & dad approved whole heartedly of her if that means anything or not. Anyhow then everyone else showed up about the same time and before long we all were having a grand old time eating, laughing and having a grand time. The little ones had so much fun none of them wanted to go home. But they had played so hard together they needed to get some rest. Oh by the way the gift turned out to be a 13 in. TV. I had wanted another TV as we had only one and there are times I would like to watch something that Bill doesn't want to watch and this way we both can watch what we want when we want. I just go into a bedroom and watch the little one. Also sometimes I want to watch something when I am recording something else so this works out really well. So needless to say the birthday was fun, filling & happy.

As I had said earlier Don & I got to tell each other happy birthday on our combined big day. At this time he was telling me he was doing okay considering the medical problems he has. Of course then we did not know about the problem with cancer. I have talked to him once more since then when he told me about this. He is optimistic about everything. Wish I could be. Willie is planning on calling him within the next few days to a week. If and when she finds out anything of importance we will let you know, okay? Don worries about Jackie and Jackie is worrying about Don. Guess you could say they are in tune with each other. But at this time I am concerned a whole lot about Don. This does not look good in my book.

June 24th.....

I got tired last night as I was doing this so I up and just went to bed. Didn't say goodnight or anything. Don't know how far I will get this night either. Willie did show me how to correct my mistakes so hopefully this won't be as hard to read as usual.

We had Sierra here Apr. 24th thru the 26th. Robin & Brandy were at girl scout camp, Ryan was in San Diego with his Aunt Annmarie & Kelly & Gary was on duty at the firestation on the 25th so this was the easiest for grandma and grandpa. Gary brought her over late friday afternoon and then picked her up around noon on Sunday. In the meantime we played more

June 24th

I got first last night so I was doing fine so I up and just went to bed. Don't say goodnight or anything. Don't know how far I will get this night either. Willie did show me how to connect my machine so hopefully this won't be as hard to read as usual. We had some here Apr. 24th thru the 28th. Robin & Brady were at the scout camp, Ryan was in San Diego with his Aunt Annamaria & Kelly & Gary was on duty at the Washinton on the 28th so this was the earliest for grandpa and grandpa. Gary brought her over late Friday afternoon and then stayed her up around noon on Sunday. In the morning we played more

games of Fish which she won the most of, we read books, she watched The Fox and the Hound, a Walt Disney movie and she played outside with the water hose cleaning the fence and the tree trunks while I worked on my little round table and chair from my childhood. I have finished sanding it and have oiled it with Tung Oil. It really turned out rather nice. I'm pleased.

Next weekend on 2nd of May we baby sat Tyler while Lori & Carrie went shopping. Andrea was with Ramon in Queen Creek. After the shopping trip which they had loads of fun Lori came for Tyler and Carrie went home to get ready for work that night. While here Tyler watered the tree trunk & cleaned the fence again for us. He played outside the whole time he was here. Then about 6 that same night Ramon brought Andrea over here to spend the night with us cause he had someplace he was going very early the next morning. Can't remember for sure what he was going to do but I think he was going motorcycle riding out in the desert. In the meantime Kyle also came over to pick up the new TV they had given me for my birthday. It seemed to be a little defective. There were knobs missing & who knows what else as it would not work. Probably didn't even have tubes. But it did come on. You just couldn't change the channel or control the sound or anything. Even with the remote control it had problems. Anyhow he had no problem exchanging it for another TV which seems to be working just fine. At least Willie can watch her soaps on it with no problem so far.

Then we had a couple of weekends where we were more or less alone. This kid or that kid would show up for some reason or other and then be on their way. Then the week before May 22nd I went shopping for a new dress to wear to the "Lord of the Dance". Do you have any idea how hard it is to find a dress to fit this short round body of mine? Well it took several short shopping trips but I finally found one that semi pleased me. It had been so long since I even wore dress that I was very uncomfortably in it but everyone was super nice and told me I looked very nice. That was nice of them and I did appreciate their thoughtfulness.

"Lord of the Dance" was fantastic. We went to Gammage Auditorium at Ariz. State Univ. We had balcony seats and Robin kept apologizing for our seats as she thought they would be terrible. We were five rows from the top in the balcony. There were also more seats behind that. Anyhow after the show was over everyone decided we had the best seats in the theatre. We were looking down onto the dancers and could not only enjoy the colorful costumes but could see the reels better as we were looking down on to them and could see the movements better. Also had no problem watching the dancing. Anyhow next year "Riverdance" is coming to town and we all want to be sure to go to that. Boy did we have terrible time getting tickets. Almost didn't. The show was sold out immediately and because this did sell out so quickly they extended the show for two more days and it sold out immediately too. Anyhow watching this live is better than watching it on TV or on a video. Maybe its because I have a granddaughter that does Irish step dancing that I enjoy this so much or it could be just the Irish in me coming out but no matter what, this was a very enjoyable evening.

On May 23rd Robin & Brandy left with their girls scout troop and went to Florida. They visited Disney World where they took in all the rides, as many shows & attractions as possible, etc. Brandy got to see a real live Manatee which she thinks is the neatest mammal alive. She has even adopted one. They also went to Disney MGM Studios where they ate lunch at the Commissary & saw a couple of studios. Also took a back lot tour which showed how special affects were made. Saw how a movie got made, Saw how costumes were made & saw props of TV homes from various shows like a neighborhood, etc. Also went to Magic Kingdom and the Epcot Center. Brandy called me from the "Noventions" exhibit & left a message to me on the answering machine to let me know how much fun they were all having. Also wanted me to know she was saving all her receipts of things she bought, plus brochures of things she was seeing and doing, plus the tourist post cards and picture she was taking so we could put a scrap book together for her again. We do have fun doing these little projects together.

In the meantime while the two older girls were having fun in Florida, Ryan was back in San Diego again and this time his cousin Ricky was him. Ricky is younger & the son of Garys sister Kathy. Anyhow the two boys had flown over there. And Gary was home taking care of Sierra until about 11am when Margie (Garys mom) came to stay with Sierra until I got off of work and could pick her up. Margie left her job to stay with Sierra and after I picked up Sierra she went back to work. She is a Roman catholic and the father of her diocese is dying of cancer. She cleans his house, makes sure he takes his medicine on time, and does any errands that needs to

While I worked on my little round table and chair from my childhood, I have finished reading it and have read it with Tami. It really turned out rather nice. I'm pleased.

Next weekend on 2nd of May we had a Tyler and Camie wedding. Andrew was with Ramon in Queen Creek. After the shopping trip which they had made for the 1st of May for Tyler and Camie went home to get ready for their wedding night. While Tyler watched the new truck & cleaned the house again for us. He played outside the whole time he was here. Then about 8 that same night Ramon brought Andrew over here to spend the night with us cause he had somewhere he was going very early the next morning. Maybe its because I have a premonition that does their step dancing that I enjoy this so much or it could be just this kid in me coming out but no matter what, this was a very enjoyable evening.

On May 23rd Robin & Randy left with their gincock troop and went to Florida. They visited Disney World where they took in all the heat, as many shows & attractions as possible, etc. Randy got to see a real live Michael which she thinks is the nearest thing to him. She has even adopted one. They also went to Disney MGM Studios where they ate lunch at the Commissary & saw a couple of studios. Also took a back lot tour which showed how special effects were made. Saw how a movie got made, saw how costumes were made & saw props of TV homes from various shows like a neighborhood, etc. Also went to Magic Kingdom and the Epcot Center. Anyhow the two boys had been over here. And Gary was home taking care of Gary's cat. About 1st when Margie (Gary's mom) came to stay with them until I got off of work and could pick her up. Margie left her job to stay with them and after I picked up Gary's cat went back to work. She is a Roman Catholic and the father of her disease is dying of cancer. She cleans the house, makes sure he takes his medicine on time, and does any errands that need to

be done for him. But anyhow after picking up Sierra we kept her until Sunday around noon. Ryan & Ricky were picked up at the airport about 4pm sat. afternoon by Kathy. Kathy brought Ryan over here to spend the night with us. Robin & Brandy were returning very late sat. night so I had said to just let Ryan & Sierra spend the night with us and she could sleep in the next morning as I knew they would be super tired. While here Sierra did her usual thing playing outside and inside and playing fish w/grandma & letting grandma read her lots of stories. That really was a fun weekend with her. Gary left to go out of town on Friday till the following Wednesday is why we were doing all the changing of the guards so to speak with Sierra.

On Friday night the following weekend Brandy spent the night with us. We worked long, hard and fast putting everything in order to put her scrapbook together. We did a thorough job. Now we are waiting on pictures she wants to get copies of from her friends and then we will work again together putting it all together. We really worked hard on this but it was loads of fun.

Next day on Sat. Brandy went home and Lori arrived so we could go shopping for new bedroom linens and a curtain treatment for the French door to co-ordinate it all together. I do believe when it is all put together it will look very pretty. Lori really has elegant taste in furnishings.

Then on Children's Day, June 11th, Willie and Summer arrived. They were so tired but happy to be spending the time together. Willie and Summer were busy finishing up the last minute things Summer needed to get done before leaving for W. Va. But we did enjoy Summer here before she left. She is such a sweet girl. Now Willie and I are busy teaching me how to work this computer. Summer with Karens help got Willie's program put on my computer so now we can work on our genealogy together and things should make more sense to us. I am having problems with my printer but we are also working on fixing that too.

Then last Sunday was Father's Day. I knew the kids would be over but made no plans of any kind. Willie put a roast in the crockpot which he, Bill and I were going to have for dinner that night with some mashed potatoes and a green salad. I also baked a small loaf of bread in the bread machine that morning. Everything went along quietly until about a little after noon. First Kyle & Craig showed up with Bill's gift. Four out of five kids had gone together and got him a super nice fountain to set up in the backyard. He loves it. While they were putting it up Lori and Tyler showed up with their gift for Bill. They got him a Swiss pocket knife. He loves it too. They stayed for about an hour and was about to leave when John showed up. So they stayed a little longer and then they left. That is Lori, Tyler and John left. Then Craig came in and asked what's for dinner tonight mom. I told him roast, mashed potatoes and gravy and a salad plus the bread. Did he want to stay and eat with us and of course he did. Then a little later Bill came in and said Kyle knows we are having mashed potatoes and gravy for dinner and that Craig is staying. So I waited a few minutes and then went outside and asked Kyle did he want to stay for dinner. Of course he did. Then a little later Robin, Brandy, Ryan & Sierra showed up. Gary was at the fire station where he seems to always be. Anyhow Brandy found out about the mashed potatoes and came in and asked Robin if they could stay for dinner and Robin proceeded to tell her it's not polite to invite herself to dinner when Brandy jumped in with, but mom, it's grandma's mashed potatoes and gravy and I just had to invite them to stay after that. That made now 5 more people for dinner that hadn't been planned on that morning. Then awhile later Carrie and Andrea arrived in time for me to ask her if she wanted to stay too and of course she did so that brought up the total to 7 more people than was planned on that morning. So we just peeled lots and lots of potatoes and cut up a big salad. By the time dinner was over with everyone was full and there were no leftovers other than a little gravy left. We didn't call Lori & John back as when they left they were on their way out to eat a late lunch or early dinner which ever you wanted to call it. John was leaving later that afternoon for Prescott. He had meetings planned for the next day starting early. And Bill had a great Father's Day.

So that brings up the news for now. As I can't print this out yet I will just have to update you until I can print it and get it in the mail. Besides the plans for next weekend are on Sat. to go show Willie Lori & John's house and then out for a very early dinner at Carabba's. So for tonight==Good night.

On Monday night the following weekend Brandy spent the night with us. We worked hard and last thing everything in order to get her workbooks together. We did a thorough job. July 5th, 1996. Wednesday evening

Well hello again. Guess a couple of weeks has gone by since I started this. Got a little side tracked. Have got one of my lovely sisters with me that I am enjoying. Only today she left and went to Payson, Arizona to visit a very old friend for a couple of days and nights. She said this morning that she would be back maybe late tomorrow night or friday night or afternoon. Guess it all depends on how much fun she is having. Anyhow it sure is quite without her around. June 26th was the Saturday we went to Lori's house to see it. I really like her taste in furnishings, etc. Her bed linens and window treatment turned out real nice and pretty. The window wasn't completed yet as she had changed her mind on the curtain rings and had to order new ones that hadn't come in yet. But know it will turn out beautiful when the whole thing is up and completed. Then we went out to a very late lunch or early dinner at Carabba's for Italian food. Was delicious. This is now Lori's favorite restaurant. Anyhow it was a fun relaxing afternoon. I think Willie had a good time to.

Willie and I have been working hard and furious on the family tree. There is so much to it but we are having fun besides being detectives and great organizers by putting this all together. We even went down to the morman library here in Mesa last friday to do a couple of things. They were real good to us and didn't even try to convert us. Just let us use their machines and look at their books. Willie found a couple of things we were looking for but it wasn't a very productive day for me. Didn't discover a thing which I am quite good at.

On Saturday besides cleaning house, doing the laundry and working on the family tree I made 4 Boston Cream Pies for Ryan's birthday we would be eating before going to the circus the next day. By the time you bake cakes, let them cool, make pudding and add oleo and unsweetened chocolate squares in half and dream whip in the other half and let it all cool in the refrigerator before putting it all together a little bit of time has gone by. Also made a bowl of potatoe salad for part of Bills dinner the next night.

Now being as this Saturday was the 4th of July all this was our celebrating. We went to bed early as usual. No fireworks for us. Sleep was more important as we knew another busy day was ahead of us the next day. And busy it was.

Got up and did the usual routine morning thing plus fried a half of a chicken for Bill to have with his Potatoe salad. Had to have his dinner ready before I left as knew I would be arriving home at his dinner time or there abouts and didn't want to have to worry about it then. So one less thing that now had to be done was done. Good aren't I?

At 1 everyone started arriving. We had Robin, Gary, Brandy, Ryan, Sierra, Grandma and Grandpa Miranda (that is Garys mom and stepdad), Ricky (that is a cousin to the Johnson kids), Kyle, Craig, Lori, Tyler, Carrie, Andrea, Willie, Bill and I all here for those Boston Cream Pies. John was off doing something with one of his family members so he was the only one that didn't come. Anyhow Ryan loved his cakes. 2 1/2 cakes were assumed this afternoon. Ryan got to take a full cake home with him and we finished off the other half here. They went over very well. So well that Grandma Miranda called Brandy the next day and told her to get the recipe for her so that she and Brandy could make a cake just to eat at their house. Guess Brandy is going to go and help her as Margie is not much of a baker. She is always dieting so she doesn't bake. But Mike (Grandpa Miranda) loved the cake so much he wouldn't quit talking about it. So this baking endeavor for Margie and Brandy is for him. Anyhow I am pleased everyone enjoyed them.

Then at 2:20 it was time for us to pile into 2 cars and head for the circus at the America West Arena in downtown Phoenix. Carrie got to drive Lori's new car (a 1998 Buick Regal-25th Special Edition w/all the important things such as sun roof, leather seats, stereo system that just out of this world, heater, refrigeration, etc. that Lori had just bought on June 16th and she is so proud of). So in Lori's car with Carrie driving was Lori, Craig, Brandy and Ryan. Willie drove her car and took me and Tyler, Sierra and Andrea. We had to threaten them a couple of times but otherwise they weren't to bad sitting back there in the backseat together. As we were leaving with everyone who wasn't going waving and yelling goodbye and have a good time we are sure all the neighbors were wondering what the in the world was going on over here. But anyhow off to the circus we went. We ALL OF US really enjoyed it. The little ones were excited w/Sierra the most excited. She had never been to anything like this before so it was a new experience for her. Talked to Robin tonight and she said that each day Sierra tells her something else she got to see at the circus. I could hear Craig, Ryan, Lori, Carrie and Brandy chuckling all thru the

While this again. Guess a couple of weeks has gone by since I started this. Got a little side
kicked. Have got one of my lovely sisters with me that I can enjoy. Only today she fell and
went to Phoenix. Arizona to visit a very old friend for a couple of days and nights. She said she
missing that she would be back maybe two tomorrow night or this night or afternoon. Guess
all depends on how much fun she is having. Anyway it sure is quite without her around. June
25th was the Saturday we went to Lott's house to see it. I really like her taste in landscaping, and
her bed rooms and window treatment turned out very nice and pretty. The window wasn't
commented on as she had changed her mind on the curtain rings and had to order new ones that
didn't come in yet. But know it will turn out beautiful when the whole thing is up and complete.
Then we went out to a very late lunch or early dinner at Carolina's for Italian food. Was
delicious. This is now Lott's favorite restaurant. Anyway it was a fun relaxing afternoon. I think
While had a good time to.

While and I have been working hard and fun on the family tree. There is so much to it and
we are having fun besides being detectives and great organizers by putting this all together. We
even went down to the Norman Henry home in Mesa last Friday to do a couple of things. They
were real good to us and didn't even try to convert us. Just let us use their machines and look at
their books. While found a couple of things we were looking for but I wasn't a very productive
day for me. Did discover a thing which I am doing good at.
On Saturday finished cleaning house, doing the laundry and working on the family tree. I made
a Chicken Chicken Pie for Ryan's birthday we would be eating before going to the circus the next
day. By the time you have cake, let them cook, make pudding and add also and unseasoned
chocolate sauce in half and dream whip in the other half and let it sit cool in the refrigerator
before putting it all together a little bit of time has gone by. Also made a bowl of potato salad
for part of this dinner the next night.

How being as this Saturday was the 4th of July all this was our celebrating. We went to bed
early as usual. No fireworks for us. Sleep was more important as we knew another busy day
was ahead of us the next day. And busy it was.
Got up and did the usual routine meaning that she had a half of a chicken for Bill to have
with the Potatoes salad. Had to have his dinner ready before I had no time to go to
home at his dinner time or there abouts and didn't want to have to wait about 3 hours. So one
last thing that now had to be done was done. Good night?

All everyone started arriving. We had Robin, Gay, Brandy, Ryan, Brian, Christine and
Grandpa Miranda that is Gay's mom and stepdad. Think that is a cousin to the Johnson
family. Craig, Lori, Tyler, Carrie, Andrew, Willie, Bill and I all here for those Brian Christine
Pie. John was off doing something with one of his family members so he was the only one that
didn't come. Anyway Ryan loved his cake. I no longer was around this afternoon. Ryan
got to take a full cake home with him and we finished off the other half here. They went over
very well. So well that Grandma Miranda called Brandy the next day and told her to get the
recipe for her so that she and Brandy could make a cake just to eat at their house. Guess
Brandy is going to go and help her as Marjorie is not much of a baker. She is always telling us
she doesn't bake. But Mike (Grandpa Miranda) loved the cake so much he wouldn't quit talking
about it. So this baking endeavor for Marjorie and Brandy is for him. Anyway I am pleased
everyone enjoyed that.

Then at 5:30 it was time for us to get into 3 cars and head for the circus in the American West
arena in downtown Phoenix. Came out to drive Lott's new car (a 1980 Buick Regal 2500
4-cylinder Edition) with the important things such as sun roof, leather seats, stereo system that had
out of this world, better, better, better, etc. But Lott had just bought on June 18th and she is so
mad out of. So in Lott's car with Carrie driving was Lori, Craig, Brandy and Ryan. Willie drove her
car and took me and Tyler, Brian and Andrew. We had to travel there a couple of times but
nevertheless they wanted to get sitting back there in the backseat together. As we were leaving
all the neighbors were wondering what the in the world was going on over here. But anyway all
to the circus we went. We ALL got us really enjoyed it. The little ones were excited without
the most excited. But had never been to anything like this before so I was a new experience for
her. Talked to Robin tonight and she said that each day Brian tells her something else she got
to see at the circus. I could hear Craig, Ryan, Lori, Carrie and Brandy checking all this the

different acts but besides me, Craig, & Ryan I do believe Willie enjoyed the circus more than anyone. And that includes Sierra. She went wow, oh anddddddddddd laughed a whole lot. This years circus was a lot like the old fashioned circuses I remember seeing as a kid. Mother took me to two different circuses as a kid. Then since being married have been 5, 6 or 7 more times. Anyhow Craig came by his love of circuses naturally. His mother and Aunt Willie love them to!!!!!! The clowns had us laughing at their antics all the way thru, saw the tallest man in the world plus the shortest man in the world, saw the tiger act, the trapeze acts, the elephants, the dog acts, the three sisters who hang by their hair and do spins and juggling acts, the basketball players doing a act on a trampoline, the horse acts, plus a bunch more acts and the final performance was a man being shot out of a cannon at 65 miles per hour where he landed in a net on the other side of the arena. In all it was a fun circus and Bennie you should of been here to go with us too. You would of loved it.

And that brings you up to date on what has been happening around the old place the Pittmans call home such as it is. Wish you were here to enjoy all these happenings with Willie, me, Bill and the kids and their kids. So for now being as it is getting late and tomorrow is another working day it is time to close for this time. Do take care & hope to hear from you soon.

Love to you all.

Marylalice & Bill

STATE OF CALIFORNIA

Hello again. Just realized I had wrote all my news but didn't ask the question or two or three I wanted to ask. So here goes another page.

First of all wanted to remind you Bennie what I was commenting on in the last round robin letter when I mentioned your duty. I was referring to the jury duty you got all mixed up about and went to Missouri instead of Hamilton for. I really enjoyed your saga on that. Made me laugh out loud.

Yes we know that Diane got married, that Don is not well and it doesn't look great for him. Willie is planning on calling him this weekend sometime to check up on him. Hopefully he will have some kind of news for a update. He really puts on a good face of optimism but know in my heart he has to be scared about the whole thing. Wish Jackie could be better for him and pull herself together but do understand what she is feeling. It has got to be very scary for her too. Anyway if anything new comes up we will give you a call too.

Thank you for the information on the baby. We needed that for the family tree stuff. Glad that Gayle is loving being the grandma. Knew she would. Also glad to hear that Jay is so good with the baby. Thats great.

I don't remember if I sent a thank you to Jody or not for the pictures of the boys. Loved the pictures and wanted to say thank you. Now am embarrassed to send maybe a 2nd note thanking her if I have already sent one already. Do believe there are days that I don't function properly. Anyway could you just casually mention that I loved them and I thank her for thinking of me and for you sending them. I really don't want her to thank I'm a complete nut. A half a nut is bad enough. Also thank you for the article from the newspaper. You did good sending it. We are so proud of you for remembering our little lectures on things like that.

Bennie did the cancer spots get removed okay? And now everything is going okay on that line? Sure hope so.

I would make comments on Willies letter but I did that in person. Besides this letter is getting a wee bit long again. So for now and again I will close again and this time will not add anything to this.

Love you all,,,,,,,,,Me
